You're invited to re-discover the Melbourne CBD  
and make our neighbourhood the best it can be.

CITY OF MELBOURNE

During the past months of rolling lockdowns, we heard that many of us valued living more locally - cherishing the parks and open spaces within 5kms and exploring and finding out more about the hidden gems in our neighbourhood that we might have otherwise missed.

**As Melbourne re-emerges and re-connects, we invite you to participate in re-discovering and making our Melbourne CBD neighbourhood the best it can be.**

**PARTICIPATE 3000**

Share this on our community wall or use the hashtag #participate3000 to share with your friends and enter our prize draw! (full T&Cs are on our website)
