## RECREATION IN NORTH MELBOURNE COMMUNITY CONSULTATION

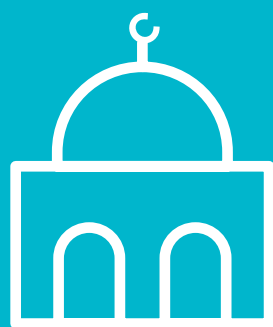

25 July to 4 September, 2022 we asked you about recreation services in North Melbourne.

### We ran 8 sessions in the community.

6 in the North Melbourne Community Centre.

1 with local community at a local mosque.

1 in 2 of the local residential towers.

- We heard from over 250 people and spoke to over 120 people in person.
- **For over 52% of respondents, it was their first time engaging in consultation with City of Melbourne.**
- We had over 220 submissions via our Participate Melbourne platform.
- We also collected survey responses from two additional local facilities.

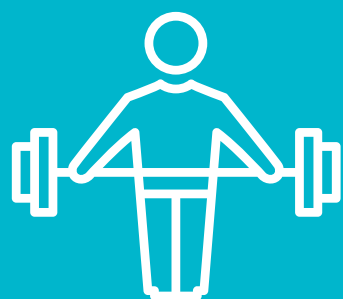

# 86%

of respondents were North Melbourne Residents.

- 26% were born overseas.
- 35% speak a language other than english.
- Somali and Arabic were most commonly spoken.

# in the last 12 months...

over 40% of you used the gym at the North Melbourne Community Centre.

23% used the indoor court at the North Melbourne Community Centre for Basketball.

33% use the outdoor pool at the North Melbourne Recreation Centre during Summer.

Just under 20% participate in group fitness at the North Melbourne Community Centre.

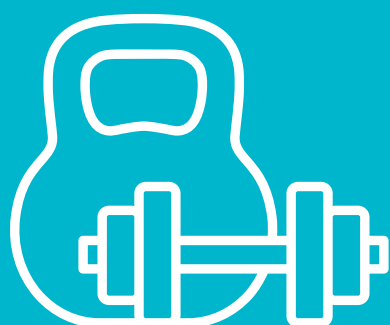

## We're keeping the North Melbourne Community Centre Gym open.

(We'll continue to monitor it's use with annual reviews)

**Community spaces to learn and gather are important to you.**

Particularly for learning life skills like knitting and cooking.

We're going to pilot new programs that increase participation at North Melbourne Community Centre
