

9th February 2015

Notice of works and temporary changes to parking

The City of Melbourne is committed to improving community infrastructure and amenity to make Melbourne a more attractive place to live, work, shop and visit. As part of this commitment the City of Melbourne has engaged Citywide to complete the following construction works.

Location of works: Little Latrobe Street, both sides between Swanson Street to Elizabeth Street, including Swanson Street corner kerb extension works

Location of parking changes: At the above location on both sides. Please refer to signs to avoid infringement

Project: These works involve kerb extension works on Swanson and Elizabeth Street corner, reconstruction of bluestone footpath on both sides of Little Latrobe Street and sections of kerb and channel renewal.

Construction period:

| | |
|-------------|---|
| Start date: | Monday 16 th February 2015 (weather permitting). |
| Times: | 7:00am to 4:00pm |
| Duration: | We anticipate that the works will be completed in 7 weeks (weather permitting). |

To enable these construction works to proceed safely and efficiently there will be a need for temporary on-street parking changes. **Please refer to parking signs during the construction period to avoid a parking fine.**

We apologise in advance for any disruption caused during the period of these works.

More information about project

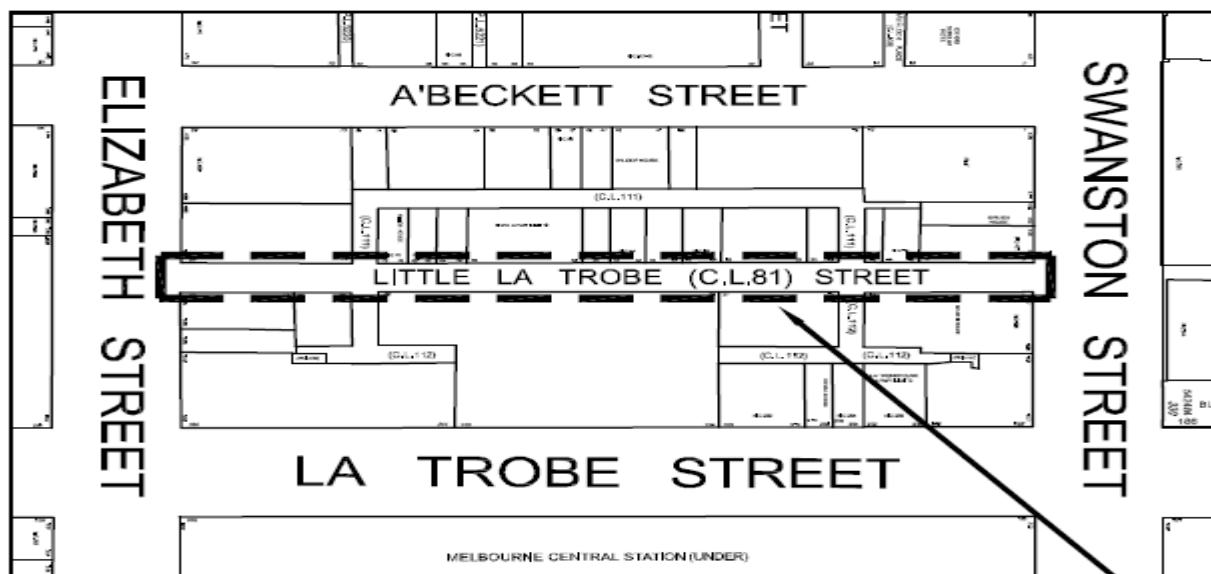

WKO # 384558

Full closure of footpath and road will be in place during the works however local access will be provided with the help of traffic controller. Works will be done in stages to minimize the disruption. The works being undertaken will be noisy and with the nature of this work there will be noise of saw cutting or jackhammering but will be kept to a minimum.

Please co-ordinate with traffic controllers on site for any delivery arrangement and local access requirement but please expect delay due to works and restricted space on site.

To enable these essential works to proceed efficiently, effectively and in a timely manner, we would be grateful if you could keep your vehicles clear of the work site for the duration of these works. Please refer to parking signs to avoid a parking fine. We will endeavour to be as quick and unobtrusive as possible and ask that you be patient and tolerant during our brief stay. We apologise in advance for any disruption caused during the period of these works.
