21.12 HODDLE GRID

Housina

C240 Proposed C307

• Support permanent and short term residential development in the Hoddle Grid that accommodates a diverse population.

Economic development

- Encourage the development of a range of complementary precincts within the Hoddle Grid that offer a diverse range of specialist retail, cultural and entertainment opportunities.
- Discourage the spatial concentration of gaming machines.
- Encourage the retention and enhancement of specialised shopping and entertainment precincts within the Hoddle Grid, particularly, Hardware Lane, Chinatown, Collins Street and Little Collins Street.
- Support entertainment, bars, eating and other evening uses throughout the Hoddle Grid.
- Support the Retail Core as a compact, high-density retail precinct and facilitate easy pedestrian access.
- Support the consolidation of education clusters on the northern and western edges of the Hoddle Grid and in Flinders Street.
- Ensure the Northbank of the Yarra River has increased open space opportunities.
- Support the Queen Victoria Market as a retail and tourist facility, and as a heritage asset of State significance.
- Ensure the form and use of development around the Queen Victoria Market does not detract from its amenity nor compromise its 24 hour function.

Built Environment and Heritage

- Protect the regular grid layout, laneways, tree-lined boulevards and identified significant public open spaces.
- Protect the scale of important heritage precincts, boulevards and other unique precincts that rely on a consistency of scale for their image, including the Retail Core, Chinatown, Hardware Lane, Flinders Lane, Bourke Hill, Parliament, the Melbourne Town Hall, and the churches on Flinders and Collins Streets.
- Facilitate the civic and ceremonial function of Swanston Street.
- Enhance Swanston Street as part of a boulevard axis which runs from Princes Park to St Kilda Road.
- Maintain a low rise form and streetscapes in the Retail Core and along key views to ensure an intimate pedestrian scale and views to key buildings are maintained.
- Ensure a clear edge between the taller built form of the Capital City Zone and the Docklands Zone and the lower form of the surrounding areas.
- Ensure a strong contrast in scale of development along Elizabeth Street from the lower scale areas to the north of Victoria Street and the higher scale of the Capital City Zone.
- Ensure the area bounded by Latrobe and Victoria Streets and Elizabeth/Peel Streets has a lower scale than the Hoddle Grid and provides a contrast in built form scale between the lower scale of Carlton and North Melbourne and the higher scale of the Hoddle Grid.
- Ensure that the design of tall buildings in the Hoddle Grid promote a human scale at street level especially in narrow lanes, respects the street pattern and provides a context for heritage buildings.

- Ensure that new tall buildings add architectural interest to the city's sky line.
- Ensure tower buildings are well spaced and sited to provide equitable access to an outlook and sunlight for all towers.
- Ensure high quality and robust public space design in arcade and laneway upgrades.
- Link arcades and laneways in the Hoddle Grid.
- Encourage arcade and laneway links between streets and public spaces.
- Ensure development fronting streets creates a continuous building edge and integrated streetscape.
- Ensure that security treatments for shop fronts allow for views into the premises at night and positively contribute to the streetscape.
- Ensure the ground level design of shop fronts on Swanston Street contribute to its role as a preeminent retail and lifestyle avenue and entry axis to the Retail Core.
- Ensure sunlight penetration in the middle of the day to key public spaces, appropriate to their role and function.
- Protect the Yarra River and its south bank from overshadowing throughout the year.

Transport

- Ensure that pedestrian use is given priority in the Hoddle Grid.
- Facilitate the development of the Bourke Street Mall as a high quality pedestrian and retail space.
- Ensure that developments provide weather protection along key pedestrian routes and areas, where this does not conflict with building or streetscape integrity.
- Ensure that the design of buildings and public realm in the Hoddle Grid enhances the safety of pedestrians, visitors and occupants of buildings.
- Ensure streets and open space are physically and visually linked to the waterfront, where practicable.
- Develop better links between the south western edge of the Hoddle Grid and the Yarra River.
- Develop better links between the water side entertainment and recreational attractions of the north and south banks of the Yarra.
- Encourage the provision of pedestrian links to the Queen Victoria Market from surrounding areas.
