Dear Ms Wolkenberg,

PROPOSED MELBOURNE PLANNING SCHEME AMENDMENT C405melb – IMPLEMENTATION OF THE CARLTON AND PUNT ROAD OVAL HERITAGE REVIEWS

I refer to your letter dated 8 February 2022 responding to the authorisation of Melbourne Planning Scheme Amendment C405melb and the condition imposed under delegation from the Minister for Planning in accordance with section 8A of the *Planning and Environment Act 1987*.

The Department of Environment, Land, Water and Planning (DELWP) acknowledges that your council has been unable to consult with the Wurundjeri Woi Wurrung Cultural Heritage Aboriginal Corporation as required by the condition and is therefore, unable to identify Punt Road Oval as an Aboriginal Heritage Place as part of Amendment C405melb.

It is understood that your council has decided not to proceed with this part of Amendment C405melb and the amendment documents including schedule to the Heritage Overlay have been accordingly. If appropriate, your council may undertake a future planning scheme amendment to update the schedule to the Heritage Overlay for Punt Road Oval.

If you have any questions, please email Lauren Peek, Senior Planner, State Planning Services, DELWP at lauren.peek@delwp.vic.gov.au.

Yours sincerely,

Steven Cox
Manager, State Planning Services
